Hampton Court Palace was originally built by Cardinal Wolsey, who gave it to Henry VIII. It was a Royal residence until the reign of George II, since when the private rooms have been apportioned to certain ladies as a place of residence and the State rooms thrown open to the public. The gardens are very extensive, and include the well-known Maze and the famous Giant Vine planted in 1768.

I think of it:? ~~There~~ 4 thrid
chances of getting it is very
strong 3 part of Ireland are
for it, To one against; ?
Sir Edward Carson is
The Ulster leader fighting
against; with a very strong
contingarment—
at his back, and ~~with~~ Mr. John
Redmond as an opponent.
for my part I
would rather
They would not
get it because
They would be
always fighting
between themselves
and Ireland would
not be any
better off
for the transaction.
